

A vibrant rainbow arches across a dramatic, cloudy sky over a green landscape. The sky is filled with dark, heavy clouds, with a bright patch of light where the sun is breaking through, creating the rainbow. The rainbow's colors are clearly visible, transitioning from red on the left to violet on the right. The landscape below is a lush green field with some trees in the distance.

*"A renewed and pandemic-cleansed Earth
will emerge, like the Sun after rain."*
