THE BLESSINGS OF YOUR PARTNERSHIP

The Sisters of Saint Joseph of Rochester 2023 Donor Report

*Sister Jean Rodman
with Mary Ellyn
Scanandoah, a
devoted friend,
volunteer and SSJ
Associate*

*With Gratitude to
Our Faithful Friends*

Dear Friends,

You may notice this issue of *Blessings* looks a little different. That is because we are devoting this edition to you - our faithful friends. Your **friendship** is a blessing that touches our hearts and strengthens our mission of service to God and the people we serve and care for through our ministries, our community and beyond.

Your **partnership** is vital to our ability to respond to present-day needs of our dear neighbors. Our ministries, thanks to your investment, provide significant and meaningful services for our community in education, advocacy, social work, health care, and pastoral care.

We, also, are touched by your care for our Sisters, many of whom minister well into their 80s and 90s. Your loving support helps us provide for their physical and emotional well-being as well as offer continuing opportunities for enrichment and spiritual nourishment.

As you find your name listed on the pages ahead, please know we are deeply grateful for you and cherish the reality that you belong to our community of Joseph. As stated in our 2023 Direction Statement that the Congregation affirmed during the General Chapter this past summer: *Attentive to the needs of creation and the human family, we acknowledge the serious challenges of our time. With the entire community of Joseph...we strive to be a healing presence in our world.* Each of you exemplifies this striving.

**With deep appreciation and our prayers,
Sister Mary Louise Mitchell
Congregational President**

In Memoriam

Sister Rosemary Mackie | January 18, 2024

Sister Rosemary Mackie, formerly Sister Columba, taught at St. Mary, Auburn; St. Monica, St. Anthony of Padua, St. Stanislaus, St. Agnes High School, and St. Lucy in Rochester; St. Mary, Waterloo; St. Mary, Dansville; and St. Rose, Lima. In 1987 she took on a new calling as a Housing Specialist with Bishop Sheen Ecumenical Housing Foundation where she retired from in 2022.

Strengthening Ministry Together

The SSJ Ministry Fund is a result of your direct support of the Sisters of Saint Joseph. Our Ministries draw upon the Fund to support critical and ongoing needs, positively impacting our neighbors and community.

"The Ministry Fund basically keeps us alive...keeps us going every day," says Bill Camp, Director of **St. Joseph Northside**, a haven for neighbors in a section of the City of Rochester dealing with poverty, drugs and violence.

"I feel enormously blessed to have the continued support needed to make a long-lasting difference, making life brighter, one child at a time," says Sister Jeanne Morreall, Director of **SSJ Morning Star**, a foster care home for children with exceptional physical and/or emotional needs.

"The Ministry Fund is critical in helping us continue providing our students with a strong foundation for learning, surrounded by faith and values," says Sister Margaret Mancuso, Principal of **Nazareth Elementary**, a Catholic coeducational school in the City of Rochester.

"Each dollar goes to providing medical and mental healthcare and so much more to our patients, clients, and neighbors in need," says Jennifer Sahrle, Executive Director of **St. Joseph's Neighborhood Center**, a person-centered care center for the uninsured and underinsured.

"Over the past few years, I have needed to rely on the Ministry Fund to help pay for repairs to our 80-year-old building that were essential for the safety and well-being of our students, as well as our Faculty and Staff. We never could have made those repairs without the financial support of the Ministry Fund," says Sister Diana Dolce, Founder and Executive Director of **Hope Hall**, a school for students with special learning needs who struggle in the traditional classroom setting.

"The Ministry Fund enables us to continue helping young people discover their purpose in this life while deepening their relationship with God," says Sister Donna Del Santo, Director of the **SSJ Volunteer Corps**, a faith formation and community service program for high school and college students.

Why We Give...

Philip Morabito (back center) with his wife, Joan (front center), and their daughters (right to left) Grace, Audrey, Beverly, and her husband Michael Deane

Philip and Joan Morabito are former Rochester residents who have been generous and faithful friends of the Sisters for many years. They currently reside in Houston, Texas and are the proud parents of four children. In 2019 Philip and his family established the Morabito Family Foundation. They directed their first gift to the Sisters of Saint Joseph in memory of Phil's dad, Philip J Morabito.

SSJs: When did you first connect with the Sisters?

Phil: For many years throughout my childhood, my dad was a big supporter of the Sisters of Saint Joseph and all the wonderful work they did. As a blue-collar worker, my father never had big resources to donate, but he loved to send what he could to the Sisters. It's very rewarding for us as a family to now carry on his support of the Sisters, because he's the reason I was able to pursue my education and build the career I have now. He made a lot of sacrifices for myself and my four siblings, and I know he would smile knowing that we're able to continue his support of the Sisters. *(Phil is the founding CEO of Pierpont Communications, Inc., the largest independent public relations, marketing, digital strategy, and public affairs firm in Texas.)*

SSJs: What is special about your connection to the SSJs?

Phil: Aside from the Sisters being the organization that I remember my father having a connection to, my wife, Joan, and I are also both born and raised in Rochester. Finding a charity that supports our hometown and has a real, tangible impact in the community is very important to us when we give.

The Morabito Family Foundation is centered on four pillars that we developed based on our family's core values and interests—Catholic, Arts, Poverty, or Education. Both my wife

and I come from big Catholic families, and we raised our four children in the faith as well. It's always important for us to give back to the Church, and our personal connection to the Sisters from my father made supporting them an easy decision.

SSJs: Tell us about your relationship with the Sisters over the years. What does it mean to you/your family?

Phil: Building a family foundation has always been a long-term dream of mine, so it's been incredible to see it come full circle back to the organization my father loved to support. When our family first sat down to decide which charities to give to in our first year as a foundation, the Sisters of Saint Joseph immediately came to mind. It was only fitting that our very first donation from the foundation was in honor of my father, Philip J Morabito, in memory of how he would support charities in a small way as much as he could. In so many ways, our ability to give comes back to my father and the sacrifices he made for his children. We'll always be happy to support the Sisters and the very important work they do for the Church and the community.

SSJs: Why is it important to contribute to the SSJ mission?

Phil: Charities all need continuous support to function, and it's important for us as individuals to support their work by donating our time, talents, and treasure. Fundraising is essential to improve operations and enable the Sisters to help the community. The more people give, the more impact they can have on those who really need it. I've always valued the idea of giving back from what you've received, so that others can continue to benefit.

The Joy of Giving

Ray and Jackie Boudreaux with Sister Marlena Roeger enjoying some special Brazilian lemonade while visiting in Texas in November 2021

Ray and Jackie Boudreaux are passionate about supporting the SSJ Brazil Mission. It's a calling that spans two continents and thousands of miles - and a connection made possible by a special Sister of Saint Joseph.

The Indiana couple knew little about the Sisters of Saint Joseph of Rochester ministry in Brazil until a family visit to Texas in 2021 opened their hearts and changed their lives. On that visit Ray and Jackie were fortunate to spend time with Sister Marlena Roeger, or as they affectionately refer to her, Aunt Marty. Sister Marlena is Jackie's great aunt, and she has

been an integral part of the SSJ Brazil Mission for 45 years.

"She shared such wonderful stories about the lives she helps touch and the joy she helps bring to the communities of Uberlândia, Minas Gerais, Brazil," explained Ray. "So, when Jackie and I returned home to Indiana we immediately knew we wanted to do something to support this mission."

Sister Marlena received their request thoughtfully and took time to pray on it. Soon after needs arose. A local farmer required urgent repairs to his truck. Without the repairs, he could not work and support his family. Another farmer with no insurance was able to get scheduled quickly for surgery to remove a tumor on his hand, so that he could continue to milk his herd. Ray recalled, "Jackie and I were thrilled to help with such real and impactful needs. From there, the joy of giving became infectious, and we worked to set up more consistent giving."

The couple began writing and exchanging letters and pictures with the Sisters monthly. Over time, the long-distance dispatches transformed their notion of helping the dear neighbor. "Every time we see a letter in our mailbox from the Sisters of Saint Joseph we just can't wait to read it!"

Ray and Jackie are guided by the words of St. Paul, "the only thing that counts is faith expressing itself through love" (Galatians 5:6 NIV). Their hope is that by sharing the joy they have discovered through giving, others will be inspired to grow in faith and share their blessings with the world.

"We've seen the joy that expressing love through giving brings us," Ray said. "It's incredible to witness the important and selfless work that Aunt Marty and all the Sisters of Saint Joseph do every day, and Jackie and I are honored and blessed to be a small part of this incredible mission of love."

Ray and Jackie Boudreaux with their daughter, Lily, during Christmas 2023
